Security, convenience and style combined. Personal size combination locks are ideal for use with luggage, briefcases, sport bags and tool boxes. And with the Master Lock "Set-Your-Own Combination" lock, a simple four-step process allows the user to set a combination that's easy to remember because it's truly personal. In addition, the "combination window" design on the body of the lock makes the numbers easy to read.

For portable, convenient security on luggage, briefcases and cabinets, the Master Lock "Set-Your-Own Combination" is the lock of choice.

1. Corrosion-Resistant Brass-Plated Steel Shackle
2. Windows Make Viewing Combination Quick & Accurate
3. Black Zinc Alloy Body Complements Lockables
4. Combination Can Be Easily Changed
5. Ideal for Luggage, Briefcases, Sport Bags, Backpacks, Tool Boxes and Cabinets
6. Lifetime Guarantee

ProSeries® resettable combination locks are designed for Commercial/Industrial applications. Set-your-own 4-digit combination for convenience and security; 10,000 possible combinations. No reset tool required. Large ergonomic dials with exclusive blind feature permit operation with gloves, in low light or complete darkness. Deadlocking mechanism protects against prying, shimmying and rap attacks. Shackle seal and dial dust cover protect internal components and dials for trouble-free operation. The 1174 has a stainless steel shackle for corrosion resistance. The 1175, 1177, 1178 padlocks have an octagonal boron-carbide shackle for excellent cut resistance. All padlocks have 2-1/4" wide body and 1-1/16" shackle clearance.
